PREFACE

THE Editor is deeply grateful to the contributors who have helped with this volume. The list this year shows little change from that of former years, but we welcome a contributor to represent Canada: Dr A. S. P. Woodhouse. The other helpers are: Dr L. Grootaers (Belgium); Professor V. Mathesius (Czechoslovakia); Professor Torsten Dahl (Denmark); Professor U. Lindelöf (Finland); Professor A. Koszul (France); Miss Delp and Dr Egon Mühlbach (Germany); Dr R. W. Zandvoort (Holland); Dr G. N. Giordano-Orsini (Italy); Professor Trampe Bødtker (Norway); Professor Eilert Ekwall (Sweden); Miss E. Swann (Great Britain).

The American Editor's work has, as always, been indispensable and invaluable.

More helpers for Great Britain are badly needed. The Editor would be more than delighted to have the names of volunteers who could spare even a few hours in the year, and who have access to a good supply of periodicals.
